Notice of Violation – Permit Required

Ossf App 21-1279 / Property R30991 / 128 Walker Watson Bastrop TX 78602

Mr. Paul Gentch

You are hereby notified that you are in violation of:

Chapter 30 Texas Administrative Code (TAC) 285.3 – General Requirements and
Texas Health and Safety Code, Subchapter D Section 366.051 – Permits.

Chapter 30 TAC 285.3 (a) - Permit required - A person shall hold a permit and an approved plan to construct, alter, repair, extend, or operate an on-site sewage facility (OSSF) unless the OSSF meets one of the exceptions in subsection (f) of this section.

THSC 366.051 Subchapter D – Permits (a) - A person must hold a permit and an approved plan to construct, alter, repair, extend or operate on-site sewage disposal system (OSSF).

You have installed holding tanks and connecting one or more structures (mobile home, recreational vehicle [RV], and or other occupied structure) to a non-permitted or approved septic system.

If you fail to submit remedy this violation (disconnect/remove structure) or submit an OSSF modification application and modify the OSSF for the additional structure, we will move to file charges against you with the Justice of the Peace Court. Once charges are filed, this office will not request a dismissal of the charges. You have 60 days to submit an application and remedy the violation as stated above.

Failure to comply is a Class C Misdemeanor and may subject you to fines, penalties and court costs.

Respectively,

Robert McBain OS0035379
